# JAPAN EXPERIENCE

4<sup>th</sup> Delegação ABMES Internacional | October 2020

## **1. To invite international students to study in Japan**

~Motivation for studying in Japan and expansion of the one-stop service~

- To actively provide information about studying in Japan.
- To strengthen the consultative function for students willing to study in Japan.
- To enrich overseas Japanese language education and other measures.

---

## **2. To improve entrances including entrance examination and admission to university and Japan**

~To facilitate studying in Japan~

- To strengthen universities' abilities to provide information
- To promote admission before students' arrival in Japan.
- To promote the settlement of various procedures before students' arrival in Japan.
- To have universities strictly manage their registrations and simplify immigration inspection etc. and other measures.

---

## **3. To promote the globalization of universities etc.**

~To make universities more attractive~

- To predominantly develop Universities as centers for Internationalization (30).
- To increase courses conducted only in English.
- To promote double degree programs, short-term overseas study programs and others.
- To strengthen specialized organizational systems including universities etc. and other measures.

4<sup>th</sup> Delegação ABMES Internacional | October 2020

## **4. To create an acceptance environment**

~Efforts to create an environment where students can feel at ease to concentrate on their study.

- To make it possible to provide students with accommodation for a year or less after their arrival in Japan.
- To improve and utilize the Japanese government scholarship student system etc.
- To support and promote exchange activities with local communities, businesses, etc.
- To enrich Japanese language education in Japan.
- To give livelihood support to international students etc. and other measures.

---

## **5. To promote the social acceptance of students after graduation/completion.**

~Globalization of the Japanese society~

- Industry, government and academia cooperate to support students in seeking jobs or starting enterprises.
- To consider clarification of the visa status and reworking of students' permitted period of residence.
- To enrich follow-up activities after students return to their own countries and other measures.

## “Outline of measures for 300,000 International Students Plan”

- Convidar estudantes internacionais para estudar no Japão;
- Melhorar as formas de ingresso, incluindo vestibular e admissão na universidade e no Japão;
- Promover a globalização das universidades;
- Criar um ambiente de acolhimento;
- Promover a aceitação social dos alunos após a conclusão dos estudos.

## Nossos interesses no Japão

- Conhecer modelos educacionais inovadores
- Conhecer o Sistema de Ensino Superior
- Estabelecer contato para parcerias futuras
- Identificar áreas e instituições para cooperação
- Vivenciar a história e a cultura do Japão

## Áreas de interesse

- Inovação educacional
- Novas tecnologias
- Saúde
- Negócios internacionais
- Línguas estrangeiras
  - Aprendizado da Língua Japonesa
  - Promoção e difusão da Língua Portuguesa

## Ações esperadas após a missão

- Programa de Mobilidade Acadêmica – estudantes de graduação
- Programa de Mobilidade acadêmica – estudantes de pós-graduação
- Desenvolvimento de pesquisas conjuntas
- Programa de capacitação para professores
- Parcerias para inovação educacional
